

ARENA

Gaming Desk

FEATURES ▶

The Arozzi Arena desk is not only state of the art gaming desk, it is also a giant water-resistant mouse pad. The entire surface of the desk is covered in a washable mouse pad that can be interchangeable if you buy additional Arena Mouse Pads. With 3 cable management cut-outs, this spacious 160cm x 82cm desk has an additional cable management mesh pouch fit snugly underneath. With its sturdy Swedish design, the Arena Gaming Desk is top of the line for gaming setups.

5 mm thick custom shaped mouse pad with stitched edges covers the entire table top for maximum freedom and flexibility.

The desktop and Mouse pad have three cut outs open to the cable management area. The cut outs each have space to hold a monitor arm.

Arena has a built-in cable management pouch underneath the desk.

Extremely durable materials such as a high density MDF board with heavy-weight steel legs and base.
