# MM310 STREET FIGHTER EDITION CHUN-LI

MM-310-WWOL2

## LIGHTWEIGHT FEEL, HEAVYWEIGHT PERFORMANCE

The MM310 is a wired gaming mouse buffed with an innovative new feature set focused on performance. This includes pro-grade 12,000 DPI optical sensor, genuine PTFE feet for unrivaled glide, and new Ultraweave cable for snag-free, drag-free gaming. All housed in a revolutionary lightweight shell design that reduces the weight to a nimble 50g. Light on weight but heavy on performance, the MM310 truly floats above the rest.

### FEATURES

- **Lightweight, Ambidextrous Design** - Optimized for right-handers with two side buttons and weighs in at 50g without exterior holes that compromise on aesthetics
- **Gaming Grade Sensor** - Adapt to your game or playstyle with optical sensor adjustable up to 12,000 DPI
- **RGB Illumination** - Give your victories some flashy good looks with lighting on the logo and the scroll wheel
- **Upgraded Mouse Feet**- New-and-improved feet made with PTFE material for low friction and high durability, which provides a smooth, fast glide with maximum responsiveness
- **Ultraweave Cable** - Super lightweight and engineered in-house to prevent cable snag when swiping
- **Software Customization** - New, improved software allows you to remap controls, customize your RGBs, tune your macros, and more
