VANTAR AX

ALUMINUM RGB SCISSOR-SWITCH KEYBOARD

As a new generation of esports keyboards, VANTAR AX has a sophisticated aluminum appearance with a variety of RGB light effects. It's equipped with slick scissor-switches that brings users a superior response for a great gaming user experience.

CNC Unibody Aluminum Frame

VANTAR AX is made of solid aluminum alloy with CNC craftsmanship. Sandblasted surface treatment and a unibody metal frame make a modern & concise appearance with a brilliant feeling of texture.

Flat Caps With Scissor-switch

Unlike normal keyboards, Vantar AX refined scissor-switch mechanism and flat keycaps deliver the best typing experience for the players.

Ultra Slim Thickness

With two level height adjustment, players can fully fit their unique playing style all at once. Meanwhile, VANTAR AX has only 15mm height setting that players could use it without burden.

35mm Normal

15mm Vantar AX

Translucent Keycaps

VANTAR AX's exclusive full-area translucent keycaps are combined with RGB lighting effects to bring players a distinctive visual experience that nobody has seen before.

Anti-ghosting Technology

VANTAR AX is equipped with anti-ghost technology bringing players accurate responses in multi-key commands at the same time.
