SUREFIRE

## METAL STRENGTH

With eye-catching RGB and a metal frame to withstand the toughest of battles, the SureFire KingPin X2 gaming keyboard has the looks and the muscle for any gaming set up.

## FULL METAL JACKET

With a tough aluminium front panel, the KingPin X2 is primed for battle. Combined with its strong 1.8m braided cable and a lifetime of 10 million key hits, you know it will withstand even the roughest plays!

## SPEED OF LIGHT

With 5 lighting modes, and adjustments for speed and intensity, players can set the lighting ambience to match the game scenario. Bring your gaming set up to life in vivid colour.

## MULTIMEDIA

The 12 multimedia function keys make it possible to control sound volume or lighting quickly and easily from the keyboard and play and pause music or open mail or web browsers. And with its 25 anti-ghosting keys deliver accuracy and control in game play, even when several keys are pressed simultaneously.
