## Reliable, Convenient Storage

The Lexar® JumpDrive® V40 USB Flash Drive provides reliable portable storage, allowing you to easily transfer, store, and share files on the go. The drive is designed with a convenient key chain hole, making it easy to tether to a key ring, attach to a backpack, or hook to a purse or briefcase. Compatible with both PC and Mac systems, the JumpDrive V40 USB Flash Drive allows you to quickly and easily store a huge number of photos, music, and video files. Two-year limited warranty.

**Plug-and-Play Design.** The drive has a simple plug-and-play design that allows you to quickly and easily store files, so wherever you go, your information goes with you.

**Delivers for both PC and Mac®.** Compatible with both PC and Mac® systems, the JumpDrive V40 USB Flash Drive allows you to quickly and easily store a huge number of photo, music, and video files.

**Store it all with a wide range of capacities.** Available in 16/32/64/128GB—it's easy to store more of your data in one place.

**Rigorously tested.** All Lexar products undergo extensive testing in the Lexar Quality Labs, facilities with thousands of different cameras and digital devices to ensure performance, quality, compatibility, and reliability.

*For more than 27 years, Lexar has been trusted as a leading global brand of memory solutions. Our award-winning lineup includes memory cards, USB flash drives, card readers, and solid-state drives. With so many options, it's easy to find the right Lexar solution to fit your needs. Lexar products are available worldwide at major retail and e-tail stores. For more information or support, visit [www.lexar.com](http://www.lexar.com).*

Some of the listed storage capacity is used for formatting and other purposes and is not available for data storage. 1GB equals 1 billion bytes. Lexar is not liable for any loss of data or images. Product appearance, performance, software offerings, and packaging may vary depending on ship date and available inventory.
