

Product Highlights:

- Upgrade your laptop or desktop computer for faster startups, data transfers, and application loads¹
- Experience better performance and reliability than with a traditional hard drive²
- Shock and vibration resistant with no moving parts³
- Three-year limited warranty

Capacities:

256GB (up to 550MB/s read¹)

512GB (up to 550MB/s read¹)

1TB (up to 550MB/s read¹)

2TB (up to 550MB/s read¹)

Boost your computer's performance

Improve your existing system's performance with the Lexar® NQ100 2.5" SATA III (6Gb/s) SSD. This easy upgrade gives you faster boot-ups, application load times, and data transfers with read speeds of up to 550MB/s¹. The NQ100 SSD is shock-and vibration-resistant³, and features no moving parts, making it cooler, quieter, and more energy efficient than a traditional hard disk drive. Available in 512GB to 2TB, the NQ100 comes with a 3-year limited warranty and will rejuvenate your laptop or desktop computer.

Impressive speeds with a simple upgrade. With the NQ100 SSD you can save time and improve your computer's performance with read speeds of up to 550MB/s¹. It will make boot-ups, data transfers, and application load times a breeze.

Rejuvenate your laptop or PC. Leave the performance anxiety of using a traditional hard drive behind you, and enjoy faster speeds and extended storage space with the NQ100 SSD².

Built to last. Unlike traditional hard disk drives, the NQ100 SSD has no moving parts, so it's more durable. Add to that, it's shock- and vibration-resistant and you've got one robust and reliable SSD to safely store and render your large-sized data, photos, and 4K videos³.

Rigorously tested. All Lexar products undergo extensive testing in the Lexar Quality Labs, facilities with thousands of different cameras and digital devices to ensure performance, quality, compatibility, and reliability.

For more than 27 years, Lexar has been a trusted leading global brand of memory solutions. Our award-winning lineup includes memory cards, USB flash drives, card readers, solid-state drives, and DRAM. With so many options, it's easy to find the right Lexar solution to fit your needs. Lexar products are available worldwide at major retail and e-tail stores. For more information or support, visit www.lexar.com.
